At Sanford Veterinary Clinic Geraldton, we understand your pets are an integral part of your

family. As pet lovers ourselves we ensure that both you and your pet feel welcome and your visit to our Geraldton Vet Clinic is a stress free and happy experience.

Sanford Vet Geraldton is a small and large animal practice located at 163 North West Coastal Hwy Geraldton, 230m south of Bunnings and provides Geraldton and the surrounding areas with high quality veterinary care and great personalised service in a friendly professional manner.

Our Philosophies

To ensure your pets visit to our Geraldton Vet Clinic is an experience that you can recommend to your friends and relatives we strive to:

- Be the vets in Geraldton that your pets would recommend!
- Create a welcoming environment that ensures you and your pet feel at home at Sanford Vet Geraldton
- Maintain the highest level of professionalism whilst never losing our friendly and personable touch
- Always be approachable, supportive, compassionate and empathetic
- Continually improve our skills through ongoing training and development to ensure we always provide the best possible vet treatment outcomes for your pet and deliver real value to our clients
- Create a happy, fun, positive and enjoyable place to work where every team member's talents are recognised, encouraged and nurtured.

Our Hospital

Sanford Veterinary Clinic is the longest serving Geraldton Vet Hospital in the midwest. Dr Alison Banfield and associates have continued building Sanford Vet Geraldton into a vibrant, friendly practice. We operate from a modern fully equipped Vet Hospital at 163 North West Coastal Hwy, 230m south
